

THE 4TH EUROPEAN SCHOOL NETWORK FOOD SEMINAR

“ALL AROUND THE TABLE” SARNICO ITALY 5TH – 12TH MARCH 2016

The 4th ESN food seminar "All Around the Table" was held at "Istituto Serafino Riva" in Sarnico from the 5th to the 12th March 2016.

Thirty-one students coming from four countries (Turkey – Finland – France – Holland) and eight different schools took part to the project (Istek Belde Turkey – Istek Atanur Oguz Turkey – Nokian Lukio Finland – Kangasala Finland – Lempalaa Finland - Saint Louis Sainte Marie France - Vlietland Holland – Corderius Holland)

All the students were hosted in local students' families, the teachers in a hotel.

The aim of the project was to let the students reflect on food and its relationship with culture, both students and teachers shared their projects and food customs during three sessions and posters display presentations.

Guest and host students together with their teachers visited Sarnico, Bergamo (the upper medieval town), Montisola (boat ride and nature hike), Brescia (the old town): Serafino Riva students as tour guides.

The ESN Mission Statement contains the overall aims of our seminar:

- to create an inspiring, open and safe environment for friendships between schools and students from all over Europe;
- to increase mutual understanding in order to improve the quality of our schools and sustain peace and welfare in Europe;
- to stimulate the finding of a common ground and respect for the diverse cultural values.
